

# HEALTH & SAFETY GUIDELINES AT SAC 2021

SAC 2021 is excited to welcome our attendees back to forge new relationships and celebrate old ones. Our team is committed to creating an event experience where our customers, partners, and employees can safely and effectively conduct business.

We are taking extra precautions, beyond those mandated by government and local authorities, including walk-through temperature checks and face masks required of all persons entering the building, without exception. We've included tall side drapes for exhibit booths and are designating aisles to be one-way.

Read on to find out what health measures we have in place and how you too will play a role in moving business forward safely.
